Press "i" for more Italy

In a given room your goal is to make it to the spaghetti without you or your minions getting caught. Avoid the Chefs' line of sight or they will chase after you.

Upon reaching the spaghetti, you're given the choice of three different peppers that have unique stackable effects.

If you get caught don't worry! Death is not the end! On the game over screen choose one of your pepper minions to bring into the next run.
